RE: LAMP Investments

I would like to inform you that the recent actions of Standard & Poor's lowering the long-term rating on the United States of America to AA+ on August 5, 2011 do not affect the AAAm rating assigned to LAMP by Standard & Poor's.

Please see the attached article released by Standard & Poor's today, [Principle Stability Fund Ratings Unaffected By U.S. Sovereign Downgrade.](#)

If you have any questions, please do not hesitate to contact us at the LAMP administrative office at 1-800-249-5267.

Thank you for your continued participation in LAMP.
