RE: LAMP Investments

I would like to inform you of the recent events that occurred with the Florida Investment Pool and the Structured Investment Vehicles (SIVs) in their investment portfolio (please see the enclosed article from Bloomberg News).

LAMP does not hold any of these types of securities in its portfolio and therefore will not be affected by these types of losses.

If you have any questions, please do not hesitate to contact us at the LAMP administrative office (1-800-249-5267).

Thank you for your continued participation in LAMP.
