Client Connection makes investing simple and generating a report a snap. simple & easy

LAMP... now even easier to use

Client Connection, our enhanced online service, is a simple, efficient way to invest and manage your cash. A convenient click of the mouse allows you to execute transactions, view rate information or review historical account information. All you need is an Internet connection and a web browser to execute all your transactions online.

With our recent upgrade, web pages load faster, reports are now available in pdf or HTML formats and future transactions are simple to modify.

Right at your fingertips...

Getting connected is easy and secure

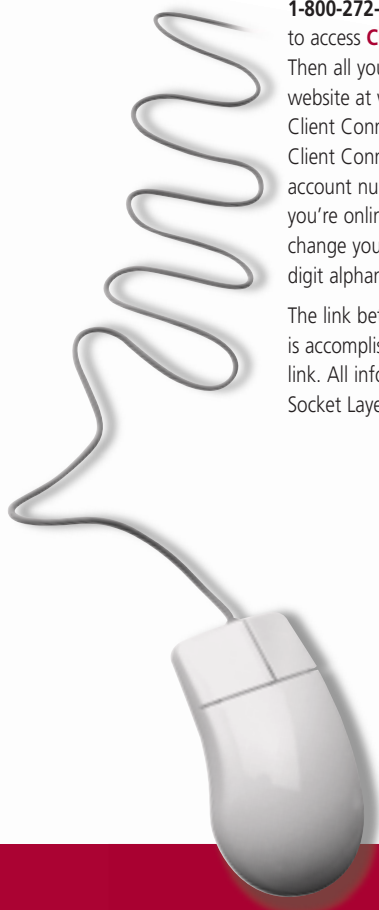

It's a snap to connect to your LAMP account via www.lamppool.com. The only system requirements are:

- Internet Explorer 5.0 or higher
- Netscape Navigator 6.0 or above

Next call our LAMPline toll-free at **1-800-272-8162** to request a PIN number to access **Client Connection Online**.

Then all you have to do is access the LAMP website at www.lamppool.com, click on the Client Connection icon, click on "Access Client Connection", enter your participant account number and temporary PIN, and you're online. You will now be prompted to change your temporary PIN to a six to twelve digit alphanumeric PIN of your choice.

The link between LAMP's computer and yours is accomplished through a secure Internet link. All information is protected by a Secure Socket Layer (SSL) encryption.
