MEMO TO: All LAMP Participants

FROM: Theodore C. Sanders, III  
Chief Executive Officer  
LAMP, Inc.

RE: LAMP Investments

In light of the current events in the marketplace today with the bankruptcy filing of Lehman Brothers Holding Inc. I wanted to inform you that LAMP does not hold any commercial paper or repurchase agreements issued by Lehman Brothers in its' portfolio.

LAMP executive officers had requested the removal of several financial service providers including Lehman Brothers and Merrill Lynch from the LAMP approved issuers' list last year. We continue to monitor the LAMP portfolio daily, and the LAMP investment managers participate in a weekly compliance call with our investment consultant UBS.

Safety of principal continues to be LAMP's number one priority. If you have any questions, please do not hesitate to contact the LAMP administrative office at (1-800-249-5267).
