

No Interruptions to LAMP Operations Due to Hurricane Ida

Your safety and the safety of all Louisianans is our number one priority!

There are **no expected interruptions** to LAMP operations as a result of Hurricane Ida. You have full access to your LAMP accounts via the [Participant Portal](#) where you can make transactions.

The LAMP Client Service team is available to assist Participants affected by Hurricane Ida with special requirements. They can be reached toll-free at (800) 272-8162.

Transactions can be made via the Portal, over the phone, by fax, or by email. Please review your transaction needs for the next several days and plan accordingly; transactions are processed daily until 12:00 p.m. CT.

Please stay safe and let us know how we can help!
