RE: LAMP Fee Rebate Program

At the October 1, 2006, LAMP, Inc. Board of Directors meeting the Board agreed that LAMP's administrative fees could be reduced without adversely affecting service to pool participants. **As a result, we implemented the LAMP Fee Rebate Program.**

LAMP currently charges a total expense of .1950 percent or less than 1/5 of 1 percent to pay for all fees associated with operating the pool. With the Fee Rebate Program, LAMP, Inc. will rebate back to the pool any excess income not needed to pay expenses. The following is a history of the rebate program to date:

2022 Rebated Back to the Pool

**Total Rebated Back to
Pool Participants Since
Program Inception \$26,555,536.57**

As LAMP continues to grow in participants and assets, I look forward to reporting future fee rebates over the next several months. Lower fees simply mean a better investment return for the taxpayers we serve, and I know you agree that this is a worthwhile goal.

I will continue to look for ways to improve the program. I recognize that LAMP succeeds because it is a cooperative effort. As such, your input as a participant is key to LAMP's continued growth and success. Please contact me, our board members or the LAMP administrative office at 1-800-249-5267 if you have any comments, suggestions or concerns. We always value hearing from our participants.
