**The Federal Open Market Committee (FOMC) voted on September 21, 2022, to raise the Fed Funds Target Rate by 75 basis points.**

## Interest Rates on the Rise

### Here's What You Need to Know:

The Federal Reserve raised rates by 75 bps for a third straight meeting, following through on its promise to take forceful and rapid steps to keep inflation under control. Additional rate hikes are anticipated later this year, as inflation continues to stubbornly run near a 40-year high.
