Legal Disclosure

Performance shown is historical and not indicative of future returns. An investment in the Louisiana Asset Management Pool is neither insured nor guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the fund.

PROGRAM SUMMARY

LAMP WORKS FOR LOUISIANA

ABOUT LAMP

The Louisiana Asset Management Pool ("LAMP") combines the efficiency of private enterprise with the protection of public policy. It enables local officials to pool and collectively invest funds to benefit from competitive yields, lower fees and the same level of investment management otherwise available only to large institutional investors.

The fund is operated by a non-profit corporation, LAMP, Inc., whose officers include the President, normally the Treasurer of the State of Louisiana, a Chief Executive Officer and a Chief Administrative Officer, charged with day-to-day operations of the program.

The Louisiana Asset Management Pool ("LAMP") operates under Louisiana law as a cooperative endeavor to assist local Louisiana governmental entities in the investment of cash balances.

All public entities, excluding the State of Louisiana and its departments, are eligible to participate in LAMP.

OBJECTIVES

The objective of LAMP is to provide safety of principal and daily liquidity with a competitive rate of return through investments in obligations issued by the U.S. government, its agencies and instrumentalities, government-only money market funds rated AAAM by Standard & Poor's, commercial paper of domestic United States corporations rated A-1 or A-1+ by Standard & Poor's, and in repurchase agreements collateralized by those investments.

Preservation of principal: The primary goal of the fund is to maintain a stable net asset value. LAMP has consistently earned a rating of AAAM from Standard & Poor's, the highest rating available to LAMP.

Daily liquidity: LAMP offers same-day access to funds under management by phone or fax with no transaction fees.

Competitive yield: By pooling funds, LAMP's participants enjoy the level of professional money management otherwise available only to large institutional investors. This generally results in higher yields and lower management fees.

BENEFITS

As a cooperative venture, LAMP is able to provide participants with a range of benefits that would be difficult to achieve individually, including:

Professional money management: The LAMP pool is large enough to attract the attention and service of the very best investment managers in the country. As a result, LAMP generates an attractive yield and a low expense ratio to its participants.

Administrative efficiency: LAMP operates extremely efficiently, keeping staff and overhead to a minimum while maintaining responsive service. LAMP participants have 24-hour access to account information, performance and yields by means of the Internet or the toll-free LAMpline at 1-800-272-8162.

Responsive reporting: LAMP participants enjoy the benefits of the Client Connection for immediate, fully secured access to their accounts and a variety of reports.

Voting rights and governance: LAMP participants maintain direct oversight control of the pool by annually electing a board of directors from the participants themselves.

LETTER FROM THE PRESIDENT

A LEGACY OF PRESERVATION

Dear LAMP Participant:

It is said that our past is the foundation upon which we build our future. Our cultural heritage is unique and irreplaceable, inherited from past generations, and maintained and preserved in the present for the benefit of future generations. Just as we Louisianans have a demonstrated legacy of preserving our rich and distinctive cultural heritage, LAMP has a demonstrated legacy of preserving principal and safeguarding your public funds. Since 1994, the Louisiana Asset Management Pool has served public entities across the state by providing the opportunity to invest collectively in a common pool of assets that preserves the principal of the public's funds, remains highly-liquid, and maximizes return on investment.

Now in its twentieth year, these three hallmarks continue to guide LAMP through economic recovery following the Great Recession of 2008 with a particular focus on the preservation of principal that has become our living legacy.

By year's end, our membership grew to 635 participants. Average assets under management declined slightly to \$1.6 billion, as participants continued to draw down their investments to meet budgetary shortfalls. In nineteen years of operation, however, LAMP has generated more than \$500 million in non-taxable revenue for participants without any cost to the taxpayers of Louisiana.

We are proud to report that LAMP maintained its AAAM rating from Standard & Poor's throughout 2013, which is the highest fund rating assigned by S&P for our "extremely strong capacity to maintain principal stability and limit exposure to credit risk." LAMP also received its 20th consecutive unmodified audit opinion from the Legislative Auditor's Office. The report is available for review on the homepage of LAMP's website at www.lamppool.com.

With sincerest gratitude, I would like to thank our officers, staff and most of all, our participants, for their dedication to LAMP over the last 20 years. It is the power of the collective pool that makes this program possible and allows it to operate with efficiencies and take advantage of those economies of scale from which we all benefit. Furthermore, your partnership in LAMP has helped create a **legacy of preservation—protecting your public funds for the road ahead.**

2013 LAMP

YEAR IN REVIEW

A STRONG FOUNDATION BUILDS A SOLID FUTURE

Despite the debt ceiling debacle, a government shutdown, concerns about a slowdown in China, and mixed economic data, the U.S. economy managed to expand at a slow and steady pace in 2013. Driven largely by two forces, consumer spending and business investment, the U.S. gross domestic product (GDP) grew 2.2% in 2013 while inflation remained at tamed levels. Consumer balance sheets strengthened as the labor market showed signs of improvement, housing moved onto a stable footing, and the equity market provided robust returns for investors.

With an accommodative Federal Reserve (Fed) and the world awash in central bank liquidity, the mere mention of a reduction of the Fed's Quantitative Easing program led the bond market into a tailspin. The front end of the yield curve remained anchored at its lows, but longer dated securities experienced a disorderly increase in rates. Even with the end of the Quantitative Easing program expected in 2014, the Fed maintained its easy monetary policy and held its target rate between 0% - 0.25%, where it has lingered for over five years.

In Louisiana, solid population growth and a strong labor market have positioned Louisiana as not only one of the leading states in the South, but also in the country in terms of job creation. Louisiana's healthy business climate helped it secure billions of dollars in new capital investment along with new jobs in areas such as aerospace, manufacturing, energy, and technology. The state's average annual unemployment rate was still higher than target levels at 6.4%, but sat well below the national average of 7.4%, indicating that Louisiana's labor market is on the mend.

In 2013, LAMP helped bolster local economies by rebating over \$1.3 million of administrative expenses back to participants, which grew the total to \$11.8 million in rebates since the Fee Rebate Program began in October 2006. LAMP closed out the year with average assets under management of \$1.6 billion, with yields comparing favorably to the S&P AAA/AA rated government 30-day net yield index throughout the year.

LOUISIANA ASSET MANAGEMENT POOL PROGRAM STATISTICS

2013 NUMBER OF PARTICIPANTS

2013 ASSETS UNDER MANAGEMENT

PROGRAM

OBJECTIVES & BENEFITS

LAMP WAS CREATED IN 1993 AS A COOPERATIVE ENDEAVOR TO ASSIST LOCAL LOUISIANA GOVERNMENTAL ENTITIES IN THE INVESTMENT OF THEIR CASH BALANCES.

PRESERVATION OF PRINCIPAL

The primary goal of LAMP is to maintain a stable net liquid asset value in the pool so that principal is preserved.

LIQUIDITY

LAMP offers same-day access to funds through Client Connection online, or by a simple call to the toll-free LAMPline at 1-800-272-8162 to make transfers or investments with no transaction fees. Participants may also fax instructions toll-free to LAMP at 1-800-604-6988.

INCREASED YIELD

The combined purchasing power of LAMP generally attracts competitive interest rates for LAMP participants.

Municipalities, parish governments, school boards, sheriffs, district attorneys, utility districts, local governments and other political subdivisions are eligible to enroll in LAMP and enjoy all the program benefits. By pooling assets and resources, local authorities can benefit from the same level of professional money management otherwise available to only larger institutions.

ADMINISTRATIVE EFFICIENCY

LAMP participants have access to account information, performance and yields by calling the toll-free LAMPline at 1-800-272-8162.

LAMP's website, www.lamppool.com, allows LAMP participants to access their account information via Client Connection. It also contains information on LAMP's latest rates, participants, upcoming events, board members, staff and officers, as well as links to interesting and informative sites of other Louisiana associations, state agencies and national financial information providers.

PROFESSIONAL MANAGEMENT

LAMP, Inc. employs a professional administrative staff, contracts with a major Louisiana bank for custodial services and a national known investment advisor, which follow strict guidelines adopted by the board of directors. LAMP also employs an independent professional investment consultant.

ARBITRAGE TRACKING

LAMP can track earnings on new bonds issued for LAMP participants and invest those earnings to achieve attractive returns.

LOW COST

By aggregating the funds available for investment, LAMP can reduce the administrative and custodial fees and maximize the yield on participants' investments.

VOTING RIGHTS

LAMP participants maintain direct control of who oversees the management of the investment pool by electing the board of directors for LAMP, Inc. at the annual membership meeting.
