

LOUISIANA ASSET MANAGEMENT POOL
STATEMENT OF INVESTMENT GUIDELINES

Effective Date: April 10, 2017

Introduction and Scope

The purpose of this Statement of Investment Guidelines is to identify the various policies and procedures applicable to the investment and management of the funds of the LAMP by the investment advisor designated, from time to time, by the Board of Directors or the Executive Committee of LAMP, Inc. (the "Advisor"). In addition to the following limitations and restrictions, as the President of LAMP, Inc., may, from time to time, impose such additional restrictions on the investment and management of the LAMP as may be deemed necessary or desirable, to the extent not inconsistent with the objectives set forth below. Capitalized terms used herein shall have the meanings ascribed to such terms in the Depositing Members' Information Guide.

Objectives

The LAMP shall be managed by the Advisor in a manner consistent with the following objectives:

- A. The safety of principal is the foremost objective of the LAMP, followed by liquidity and yield.
- B. Investment decision by the Advisor shall not undertake unreasonable investment risk in order to obtain current investment income.
- C. The LAMP shall remain sufficiently liquid to enable Depositing Members to meet all reasonable operating requirements.
- D. The LAMP shall be invested in a manner intended to attain a market average of return through various economic cycles, taking into account investment risk constraints, the cash flow characteristics of the LAMP, and the provisions of Louisiana law governing investment by municipalities, parishes and other types of political subdivisions.
- E. While the LAMP will not make investment for the purpose of trading or speculating as the dominant criteria, the Advisor shall seek to enhance total portfolio returns by means of active portfolio management. Although the prohibition concerning speculative investments precludes pursuit of gain for profit through unusual risk, trading in response to changes in market value or market direction is warranted under active portfolio management.

- F. The LAMP shall, to the extent practicable, be invested in a manner consistent with **GASB Statement No. 79**, as amended, and in connection therewith:
- i. All portfolio securities acquired hereunder shall have, at the time of purchase, a maximum remaining maturity of 397 days, two years (762 days) for U.S. Government floating/variable rate investments, such maturity shall be determined in accordance with **GASB Statement No. 79**; and
 - ii. The dollar weighted average maturity of the LAMP shall not generally exceed 60 days. The Advisor shall take reasonable steps to ensure that sufficient investments mature in one day to provide for the required liquidity for withdrawals from the LAMP.
- G. The LAMP shall be invested in a manner consistent with guidelines necessary to maintain a AAAM rating from Standard & Poor's.

Authorized Investment Instruments

Below is a description of the types of securities and other obligations that the LAMP may invest in, from time to time:

- A. U. S. Treasury securities, which shall include bills, notes and bonds.
- B. The LAMP shall be permitted to invest in such additional obligations and securities as may be designated as permissible investments hereunder by the Executive Committee of the Board of Directors of LAMP, Inc., from time to time; such designation shall be attached hereto as Exhibit A and shall be deemed incorporated in these Investment Guidelines by this reference. Any such designation shall comply with the provisions of Louisiana law concerning permissible investments for municipalities, parishes and other political subdivisions set forth in La. R.S. 33:2955.
- C. The LAMP shall be entitled to enter into direct security repurchase agreements of any federal book entry only securities described in subparagraph A or B above, from time to time, subject to the limitations set forth in "*Investment Limitations and Restrictions*", below.
- D. The LAMP may invest in certificates of other evidences of ownership in the securities set forth in subparagraph A or B above, which may consist of specified portions of principal or interest therein.

Additionally, when an A-1 investment is placed on the watch list with negative implications by a rating agency, the Advisor must sell the investment as soon as practical, unless an exception is granted by the President or the Executive Committee based on the written request and recommendation of the Advisor. If the President executes this option the President must notify the Executive Committee in writing of any such actions within ten days.
- E. The Advisor shall not make loans, borrow money or pledge, mortgage, assign or encumber any asset comprising the LAMP, except that the LAMP may purchase debt securities described above as "*Authorized Investment Instruments*".
- F. The President of LAMP, Inc., may, from time to time, impose additional restrictions and limitations on the investment of assets comprising the LAMP, to the extent not inconsistent with the investment objectives set forth herein. Any such limitations shall be set forth on Exhibit A hereto.
